

FISCAL NOTE

HB 215 - SB 91

March 24, 2003

SUMMARY OF BILL:

- Requires that, except in certain instances, an individual must have a valid driver license in order to buy a motor vehicle for personal use.
- Requires motor vehicle dealers to make a copy of the driver license, attach it to the documentation required to complete the vehicle sale, and retain the driver license copy in the dealer's record for at least two years after the sale.
- A violation of the provisions of this bill is punishable through civil penalties.

ESTIMATED FISCAL IMPACT:

State Revenues - Net Decrease - Less than \$100,000

Increase State Expenditures - Not Significant

Decrease Local Govt. Revenues - Not Significant

Any increase in state revenues through the collection of civil penalties is estimated to be not significant.

Any decrease in state and local government revenues to the extent sales tax revenues are not collected that would have been collected in the absence of the bill cannot be determined but is estimated to be less than \$100,000.

Any increase in state expenditures to implement and monitor the provisions of this bill is estimated to be not significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
